International Compliance Assurance Division  
U.S. Environmental Protection Agency  
Ariel Rios Building (Mail Code 2254A)  
1200 Pennsylvania Ave, NW  
Washington, DC 20460

Dear Sir:

Please find attached a revised 2011 Annual Report of Hazardous Waste Exports for The HoltraChem Manufacturing Site in Orrington Maine, EPA I.D. # MED000242701. I incorrectly added the weight of a shipment that was transported to Corunna Ontario to the Blainville Quebec total, "Total Quantity" column. The corrected weight shipped to Stablex is 33,320kg in four quarterly shipments during 2011.

Sincerely,  
WOODARD & CURRAN

Paul R. McCusker  
Plant Manager

Orrington, Maine 04474  
**Exporter Country** USA

**Waste Minimization:**

On or about September 20, 2000 HoltraChem Manufacturing Co. ceased all manufacturing operations at its Orrington, Maine facility.

On or about March 30, 2001 HoltraChem Manufacturing Co. ceased to exist as an operating company and its former manufacturing facility in Orrington Maine entered into a transition period between closure and RCRA Corrective Action. Beginning in March 2011, Woodard & Curran, Inc. was retained to operate wastewater treatment facilities, manage waste generation activities, and to begin remediation activities at the site under contract to Mallinckrodt US L.L.C., a former owner. The wastes being generated are the result of on-going remediation efforts.

**Certification:**

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment.
